

# COMMISSION PLAN

BeneYOU

## Simple, generous, and generous (again).

The BeneYOU commission plan is the most rewarding plan we've seen – and we've seen a lot. Whether you're looking for a quick return through retail sales, or working toward long-term financial freedom, we're here to support your best efforts with ours.

## HOW TO EARN

### Your Retail Profit

Earn 100% of the difference between retail and wholesale (what you pay).

### Your Store Commissions

Accrued Store Points ("SP") qualify you for weekly payouts:

STORE POINTS <sup>1</sup>	YOUR COMMISSIONS
0-149	10%
150-399	15%
400-749	20%
750-1,499	25%
1,500+*	30+%

\*After 1,500 SP in a month, you earn \$50 for every additional 500 SP!

And it's retroactive: Your Store Points at the end of the month determine how much you earn, so we'll pay the difference between that and whatever you earned earlier in the month – even potentially beyond 30%!

### Your Team Commissions

Earnings available from activity, levels, and sales within your team.

See chart at right.

And with BeneYOU's Dynamic Compression, you can earn beyond the standard number of levels dictated by your rank.

## LEADERSHIP REWARDS

- Amazing rank-based trips
- Stellar recognition and incentive programs
- Participation in the Leadership Bonus Pool

See definition at right.

- Event-based opportunities
- And there's more!
