

# COMMISSION PLAN

## Simple, generous, and generous (again).

The BeneYOU commission plan always pays 65% of sales volume, the most lucrative we've seen. So whether you're looking for a quick return, working toward long-term financial freedom, or both, we're here to support you all the way.

## HOW TO EARN

### Personal Sales / Retail Profit

Earn 100% of the difference between wholesale (what you pay) and retail (what you charge).

### Weekly Commissions

Accrued Sales Points qualify you for weekly payouts:

SALES POINTS <sup>1</sup>	COMMISSIONS
0-149	10%
150-399	15%
400-749	20%
750-1,499	25%
1,500+*	30%

\*After 1,500 SP, you earn \$50 for every additional 500 SP!

And it's retroactive: Your SP at the end of the month determine how much you earn, so we'll pay the difference between that and whatever you earned earlier in the month, up to a potential 30%!

### Monthly Team Points

Team earnings from levels, enrollments, and placement within your team. *See chart at right.*

And with BeneYOU's Dynamic Compression, you can earn beyond the standard number of levels dictated by your rank!

## LEADERSHIP REWARDS

- Rank-based trips
- Amazing recognition and incentive programs
- Global Bonus Pool – 5% of global point volume is shared among qualified Senior Managers (25k + 500 SP) and above, paid monthly
- And there's more!

## RESIDUAL = AWESOME
